Oil Pro CLD-7

10% Silicone Emulsion Antifoam

PRODUCT DESCRIPTION:

Oil Pro CLD-7 is a water dispersible industrial antifoam containing 10% active ingredients. **Oil Pro CLD-7** contains a combination of silicone polymer and dispersant, and has been found to exhibit superior foam control in systems over a wide range of operating temperatures (up to boiling).

APPLICATIONS AND SUGGESTED USAGE:

Oil Pro CLD-7 is designed to control foam in industrial applications. It is best to apply **Oil Pro CLD-7** before foaming occurs and under agitation. Testing will be necessary to determine the optimal dosage rate.

TYPICAL PROPERTIES:

Appearance @ 25°C	White emulsion
Viscosity @ 25°C, cPs	1,000
Specific Gravity @ 25°C	1.0
pH	4.1
Weight per Gallon	8.33 lbs

HANDLING AND STORAGE:

To ensure product quality, **Oil Pro CLD-7** should be stored in sealed containers at temperatures between 40°F and 120°F. Shelf life for **Oil Pro CLD-7** is one year from the date of manufacture. **Oil Pro CLD-8** is supplied in drums, totes, and bulk quantities.
